

***INDIA'S FIRST  
HELICOPTER  
CADET PROGRAM***

***POWERED BY  
SKYRISE AVIATION PVT LTD***

# INTRODUCTION

Welcome to **India's First Helicopter Cadet Program**, a trailblazing initiative designed to elevate your passion for rotorcraft aviation to unmatched heights.

At **Vcraft**, we offer a **revolutionary Commercial Helicopter Pilot License (CHPL) program**, meticulously designed to shape the next generation of helicopter pilots. From foundational theory to real-world flight training, our cadet program empowers you with the skills, confidence, and precision needed to command the skies with purpose and professionalism.

# WHY CHOOSE VCRAFT?

**Our Commercial Helicopter Pilot License (CHPL) program is a transformative journey**, crafted to prepare aspiring aviators to master the dynamic world of rotary-wing aviation.

This pioneering program is an essential step for individuals dreaming of a career in helicopter operations, be it **VIP charters, aerial tourism, medical evacuation, offshore logistics, law enforcement, or emergency services.**

At **Vcraft**, our **CHPL Cadet Program** blends world-class ground instruction, real-time multi-engine helicopter flying experience, and industry mentorship to develop confident, competent, and career-ready helicopter pilots.
